

We envision Filipino student leaders committed to transform their organizations, schools and parishes by witnessing to Gospel Values in Word and Action. And, we invite you to be our companion in the mission.

For more than 80 years, the Student Catholic Action of the Philippines (SCAP) continues to inspire and nurture the seeds of leadership in all its members across the country. SCAP has been a training ground of notable Filipino change-makers. At the heart of this mission is the desire to accompany more young people who can commit to live a life with faith-values (justice, peace, mercy, and love).

SCAP serves more than 5,000 high school and college students in more than 100 schools and parishes nationwide. The organization needs to sustain values-based and holistic formation program that will move them to become people of truth and integrity, persons who are capable transforming his or her community.

With your pledge, you become a partner of the Church and SCAP in this endeavor.
